Cabell And Devore Are Fast

Cabell And Devore Are Fast

Dal Hawkins boxed several fast, the Eighth cavalry who is to clash prounds with his sparring partners at the Y. M. C. A. Friday with Eight Hanlon is also aboving might and affer working out an nounced that he was in this condition and ready to stee into the ring and meet Eight Payo for the southwestern featherweight title.

Hawkins has been werking ascreding as the T. M. C. A. but it is presumed that Aim Brann his maintager will bring him down and should not the faits within the mext day or two. Bugs who interestedly follow the boxing game feel that a sight of the scrappers is due them in the training camps before the contest and believe that a missake is being made in kenging a boy in secret training for a bout as it will hart his powers as a drawing card. Fay will return to the city and of the scrappers is the contest and believe that a missake is being made in kenging a boy in secret training for a bout as it will hart his powers as a drawing card. Fay will return to the city and the return to the city powers he bisard "Missing" Parker who may alven to Parker whome it is stated in telegraphic reports had quite an advantage countries that Payo had a commanding lead over Parker and should have received by El Passans from the countries of the city part of the countries of the city part of the countries of the city part of the countries of the cuty part of the cuty part of the countries.

Flaver in the kinglide, kenever, masert that Payo had a commanding lead over Parker and should have received by El Passans from the cuty of the countries of the cuty of the countries of the cuty of the

hut was badly beaten after this session by Fayo. Payo mearly had opponent out in sevenith and eighth rounds of contest and should have received verdict.

Head Him Newify Out.
The fact that Payo had his opponent hanging on is evidence enough at least that he should have received a draw as in mone of the dispatches is it stated that the augrecative EI Pasonn was in any danger at say singe.

ALFALFA

Alfalfa makes good food for steers all right but our prices make excellent food forthought. When you walk into the Men's Shop you find yourself in a place where Value is King. The Shop is full of things men wish and need at prices sane men are willing to pay. Shirts, socks, neckwear, splendid headgear, miscellaneous articles of all lines each and every one a good buy for you. Men who know us make this Shop their purchasing headquarters-it's the fellow who has never seen the Men's Shop whom we are after. Once we make a sale to a man we "get" him and we know he will be back. We are next door to the Wigmam Theater-right across the alleylook for our display window.

Your Vacation

This warm weather makes us think seriously about our vacations. Whether we can get away on not the need of plenty of exercise in the open air is always present.

Play Golf

Golf is a sport that is particularly adapted to those in sedentary occupations. To make the game more enjoyable you should use Macgregor Golf Goods: The Macgregor Clubs are balanced right, have the right feel and are priced right. We have just received a new shipment of clubs and irvite your inspection.

If you are thinking of a camping trip see us for
